CarProof Canadian Lien Guarantee

Guarantee

Our search results accurately reflect the government records of each database in Canada at the time the search request is made. If for some reason our search report fails to accurately reflect the Canadian enforceable lien status of a vehicle at the time of the search, CarProof will reimburse the party that purchased the report and relied on it to their detriment to a maximum amount of:

1. The value of the car
2. The value of the lien
3. Five Thousand Dollars Canadian (\$5,000.00), whichever is lower.

 Information on Reports

CarProof

CarProof's Vehicle History Report is compiled from multiple sources. It is not always possible for CarProof nor its U.S. VIN data provider, Experian Automotive, to obtain complete information on all vehicles, therefore, there may be other title brands, odometer readings or discrepancies that apply to this vehicle that are not reflected on this report. CarProof and its US. data provider, Experian, search data from additional sources where possible, but all problems and discrepancies may not be reflected on the CarProof Vehicle History Report.

These reports are based on information supplied to Carproof and Experian by external sources believed to be reliable, but no responsibility is assumed by CarProof, Experian or its agents for errors, inaccuracies or omissions. The reports are provided strictly on an as is where is basis, and CarProof and Experian further expressly disclaim all warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose regarding this report.

CarProof and/or Experian shall not be liable for any delay or failure to provide an accurate report if and to the extent which such delay or failure is caused by events beyond the reasonable control of CarProof and Experian including, without limitation, acts of God or public enemies, labor disputes, equipment malfunctions, material or component shortages, supplier failures, embargoes, rationing, acts of local, state or national governments, or public agencies, utility or communication failures or delays, fire, earthquakes, flood, epidemics, riots and strikes.""
